

WHITE LYAN

All our drinks are handcrafted in-house using our very own Mr Lyan spirits.

We don't use ice or perishables to ensure your drink's spot-on every time, because we're fanatical about the little details. This means we serve house drinks only, with plenty of time to recommend and time to make sure you're having fun.

Behind the bar, you can also buy some treats to take home. Any questions, just ask.
