

WHITE LYAN presents

WASTE NOT, WANT NOT, LIVE LOTS

A good friend of ours says "Waste is a failure of the imagination". We think he's dead right. And if we don't think that way, we're likely to get dead soon enough. Closed Loop, zero waste, sustainable; around the globe people are talking and we're glad to continue the cause. Thankfully, waste need not taste like trash, but quite the opposite.

GROUND UP

Mr Lyan Gin, nasturtium seed, red clover, buzz bitters

Secondary crops are the lifeblood of healthy soil and ultimately, us!

£10

PAPER TRAIL

Mr Lyan Scotch, amylase, paper vermouth, bitters

Paper can become sugar instead of waste. That's #HeapsMadShit on your cornflakes
